

## Mound City Library Updates!

Thank you to everyone who participated in our events at the library this past month.

Between the Poetry Contest, Local Authors Night, and our local grade school and high school Art projects on display, April was an inspiring one!

This month we will have Jayhawk Linn Junior High and High School Art on Display! Please stop by and see some of the amazing work of local students.

We are currently gearing up for the end of school and our summer programming. Please check out our [calendar on our website, moundcitylibrary.com](https://www.moundcitylibrary.com), or pick one up one the next time you visit the library. There will be a lot happening at the library this summer, we don't want you to miss out!

See you soon,

The Mound City Library Team
